

Construction Manager

Who We Are

We are motivated by the simple idea of designing and building better homes. It's what makes us tick. Our team is driven, innovative, conscientious and inspired by great design. We're also eager to learn, listen and share great ideas. We love homes and we want to make them better.

Though your interests may lie in architecture, accounting, interior design, construction or sales, your enthusiasm for being the best at what you do is what counts the most. Our colleagues are also motivated by doing work to be proud of, ensuring Mosaic is a great place to work, and at all times, doing the right thing. These are important values that unite our team. Sound like you? If yes, you're likely a great fit here.

The Opportunity

The Construction Manager is responsible for delivering projects in a safe, timely, and profitable manner while maintaining the highest level of quality in the industry. This role will effectively manage construction projects from due diligence to completion, continually endeavoring to raise MOSAIC's standard of quality presentation while maintaining competitive budgets and schedules.

What We Offer

- The opportunity to grow your career within Construction;
- A competitive package – pay, bonus, company paid benefits, tuition reimbursement and regular internal and external learning opportunities;
- An awesome culture – open spaces for collaboration, tons of fun social events to build relationships and of course, talented & passionate colleagues to work alongside with; and
- A team that lives our core values of doing the right thing, doing work to be proud of, being a great place to work, being the best, and being profitable.

What You Bring

- To start, you have a passion for quality and great design. You have desire to build delightful spaces you will be proud of for years to come;
- Second, you have 3-5 or more years' experience working in wood frame construction, preferably running multiple sites in townhouse and low-rise apartment development. Previous experience in concrete is an asset.
- Third, you have experience with leading, supporting, and managing a skilled project team and consultants, including providing regular feedback on performance.
- Finally, you have the drive, energy and determination to make things better. You embrace feedback and aren't afraid to have an opinion or make a suggestion.

Above all, we're looking for someone who works hard and genuinely cares about their job, their co-workers, and the people who buy the homes we build. Interested? Please apply on our website at <http://mosaichomes.com/join-the-team/>. We'll follow up if it looks like you may be a fit.
