

Job Title: Architectural Technologist

Location: Langley, BC

About Our Company

Vesta Properties is an integrated real estate builder/developer with over 25 years of experience delivering more than 40 award winning master-planned residential communities in the Greater Vancouver and Greater Calgary areas. We have successfully conceived, designed, built and delivered over 4,000 homes, offering a diverse range of single-family, multi-family, and mixed-use properties in these communities. We focus on delivering superior value, through professionalism and integrity, and this has helped establish our company as a leader in our active markets.

Our current land portfolio features more than 500 acres of urban and suburban land with potential build out of over 3,000 residential units (including 3 master planned communities scheduled for launch in 2017) in addition to commercial/industrial opportunities.

The Position

We are currently seeking an experienced **Architectural Technologist** to design architecture and provide solutions on residential construction projects. This individual would be responsible for developing final drawings from preconceived designs and generate technical information with minimal guidance or supervision.

The ideal candidate:

- Has 5+ years of experience designing residential wood frame projects
- Completed a diploma in architectural technologies or equivalent
- Has the ability to conceptualize structural and architectural details in three dimensions
- Has working knowledge of building codes in BC and Alberta
- Is proficient in design software, particularly AutoCAD
- Is able to interact professionally with industry authorities, trades and consultants
- Has strong organization and multitasking skills, and is detail oriented
- Works well independently and is self-motivated

This is an excellent opportunity for an experienced architectural professional to be part of a dynamic, growth driven, award-winning leader in the industry. This full-time, permanent position requires a dedicated, highly motivated and fully engaged individual based at our Langley office. We are offering a competitive compensation package plus an attractive benefits plan.

To explore this exciting opportunity further, please indicate your salary expectations in your cover letter and email in **one (1)** document with your resume in Word or PDF format to: construction-bc@vestaproperties.com.

We thank all applicants for their time and interest; however, only those candidates under consideration will be contacted. No phone calls please. A review of resumes will begin on April __, 2017, however, this position will remain open until filled.
