
PROJECT MANAGER - REAL ESTATE MARKETING

Office Location: Vancouver, BC
Type: Full Time
Start Date: August 2017 and September 2017

Are you a real estate project management expert with a track record of getting things done under budget and on time? Are you eager to provide management leadership in devising and coordinating branding and marketing strategies for highly-reputable and emerging real estate developers in Vancouver, Burnaby, Richmond and North Vancouver? Do you thrive in a more intimate and boutique work environment where you will have a direct hand in shaping the future of a company and growing it together?

We Have:

- ◆ A pipeline of multi-family and mixed-use development projects by highly prominent developers requiring your leadership, relationships, project management, and organization skills to bring to market immediately and efficiently.
- ◆ A constant open mind for your new ideas and creative strategies that we are ready to implement right away.
- ◆ A talented, inspiring, energetic, and diverse group of colleagues.
- ◆ A heritage-inspired work environment with a breathtaking view of False Creek in Vancouver's third oldest building.

You Have:

- ◆ Minimum of 2 years of experience in real estate project marketing management and coordination, preferably directly with a developer.
- ◆ Demonstrated success in strategizing, executing and launching all aspects of marketing new real estate projects. This includes envisioning, positioning, branding, familiarity with traditional print and online media in multi-languages, renderings, website design trends, budget and timeline management, public relations, community outreach programs, social media trends, and directing all relevant vendors and suppliers, and leading presentation centre design and build to completion.
- ◆ Exemplary communication skills in both verbal and writing. You present confidently with clients at boardroom meetings.
- ◆ Strong work ethic and ability to problem-solve independently.
- ◆ A calm demeanor, even in high pressure environments, coupled with an optimistic and can-do attitude.
- ◆ A keen interest and passion in interior and architecture design with knowledge of market trends and styles.
- ◆ Knowledge and experience in Adobe Photoshop, Illustrator, InDesign, Lasso, Mailchimp, and Yongle
