About the Team – Deloitte Real Estate

With our Real Estate team of over 1,000 dedicated professionals worldwide, we help our clients to meet the challenge and take advantage of the opportunity by deploying our market leading industry expertise and experience.

The recent merger of Deloitte LLP with Drivers Jonas LLP established the new benchmark for how real estate advisory services will be provided in today's business world. Our combined team advises a wide variety of clients including many of the industry's largest real estate investors, owners, funds, service companies, government, investment advisers, developers, financial institutions and REITs.

Our work is varied and includes both:

Strategic real estate advisory services for public and private sector clients and Real Estate valuation services.

About You – The ideal candidate for Vice President, Deloitte Real Estate Valuation and Advisory Services

- Have a proven track record of providing real estate valuation, advisory, and/or corporate real estate advisory services to the Canadian real estate market through a reputable professional services firm.
- Have demonstrated leadership capability to drive growth and performance to deliver results for a high performance real estate service delivery team
- Be highly respected in the Canadian real estate professional services marketplace among corporations, pension funds, real estate operating companies, REITs, financial institutions, corporations, government and other market participants.
- Have sales ability to originate real estate services through existing Deloitte clients and relationships, the broader real estate market and RFPs available in the market.

Key responsibilities of the role

- Lead a high performance, multi-disciplined team of real estate professionals in the delivery of outstanding client assignments and marketplace opportunities
- Originate new business including internal and external development opportunities across both the public and private sectors
- Deliver deep technical expertise across the commercial real estate marketplace and deliver high quality client reports and presentations to "bring the best of" service for our clients
- Work closely with other senior Deloitte professionals to accelerate opportunities within Canada and around the globe
- Oversee the wide range of technical deliverable requirements including marketplace analytics, valuations, transactions, client requirements across all property types, budgets, financial performance etc.
