

An Environmental Consulting Firm  
That Puts Your Business First

## ● MARKETING COORDINATOR ●

### NEXT Environmental Inc.

Developers, Lenders, Real Estate Agents & Brokers, is who we work with on a daily basis! Meet you're locally owned and Burnaby based contaminated site specialist. Our trusted team of experienced environmental consultants have completed over 8000 investigations and site cleanups across the province. Whether facilitating the purchase and finance of small retail outlets, or tackling the remediation B.C.'s largest shipyard, we ensure our clients' business objectives are satisfied and costly expenditures minimized. The NEXT team value honesty and integrity above all.

### What is Environmental Consulting?

Our role as a contaminated site consultant is to provide exceptional environmental due diligence services for our real estate clients. Our reports facilitate all property transactions, satisfy every financing requirement set out by every major lender and allow our developer clients to obtain permits and approvals from all municipal governments in the province.

### What we're looking for...

Individuals who are up to the challenge! Our rapid growth has made it imperative to establish a full time marketing coordinator. You will be the first of your kind, working closely with our Business Liaison and President, to establish a short and long term marketing strategy for NEXT. This position will provide no shortage of learning opportunities as you will be responsible for all aspects of marketing. Ideal candidates are self-motivated and strong communicators.

### Job Description

- Plan, implement and monitor advertising and social media campaigns
- Create online and print marketing material
- Coordinate company sponsorship opportunities
- Plan and organize company held events
- Competitive intelligence and market research

### Required Skills and Experience

- Bachelors Business Administration, Marketing Management Diploma (Communications) or 2+ years of relevant industry experience
- Proficiency with Microsoft Word, Excel, PowerPoint, Adobe Photoshop and Illustrator
- Successful with outlining, managing and performing in fast paced environment
- Excellent verbal and written skills
- Proven job reliability, diligence, dedication and attention to detail

### Compensation and Benefits

- Starting salary \$40,000 - \$60,000 depending on relevant work experience and education
- 3 weeks payed vacation per year, full medical/dental, Group RRSP and More!
