

## **Project Accountant**

Vancouver

Want to join a team passionate about Real Estate? At Rize we push ourselves to go further. Impeccable architecture and design are our lifeblood and being our own builder ensures both design and construction quality. Equally important are the subtleties of distinct cities and neighbourhoods, and our belief that every project must embrace, reflect and enhance its specific community.

### **The Position**

Rize is seeking a Project Accountant to join its accounting team. Working directly with the VP Finance and Controller the Project Accountant is an important member of the team with a broad scope of responsibilities which includes working closely with senior members of the Development and Construction Teams.

### **Responsibilities**

- Process payables and receivables,
- Full cycle accounting for multiple corporate and project entities,
- Prepare month end and year-end financial statements,
- Prepare month end job cost reports and facilitate budget variance analysis with Development and Construction teams,
- Ad hoc financial analysis for existing development projects

### **Qualifications and Knowledge**

- In the stages of, or thinking about obtaining, an accounting designation,
- Real estate experience preferred,
- Attention to detail and strong organization skills,
- Excellent problem-solving and critical thinking,
- Strong Microsoft Excel skills,
- A working knowledge of Sage Timberline is an asset
