

Opportunity: Construction Project Coordinator

About Aspac

Aspac Developments Ltd. Is a leading edge residential development company with an impressive track record of building high quality world class neighbourhoods. Following our success in Coal Harbour, ASPAC is developing the new waterfront community of “River Green” in Richmond B.C. with over 3.4 million square feet of residential and commercial property.

About The Opportunity

This is an opportunity to join a well-established and experienced construction team, work in a challenging and supportive environment, and build your career from the ground up working on complex, premiere, mixed use development projects. This role reports directly to the Senior Construction Manager.

Who We Are Looking For

You have an undergraduate degree/diploma in engineering, construction management, or related field. You are a recent graduate with a minimum of 1-2 years work experience in the real estate development industry, construction industry, or related consulting role. You are well organized, a stickler for the details, have a curious and analytical mind, a great attitude, and you are an excellent communicator. You are committed to learning how to do things right. You are up for a challenge and an opportunity that has growth potential for someone who is willing to commit to that path.

We Would Like to Hear From You

If this sounds like the perfect opportunity for you, please submit your resume and cover letter to careers@aspac.ca and include “Construction Project Coordinator” in the subject line. We will contact you if we feel you will be a good fit.

We thank all candidates in advance for their interest in this role but only shortlisted candidates will be contacted.
