

Analyst, Investments (Real Estate Services Group)

Location: Vancouver, British Columbia
Status: Full-Time
Ref #: 05060-0010193167

Overview:

Our client based in Downtown Vancouver is a major player and instantly recognizable name in British Columbia and Canada's dynamic Real Estate industry. Keeping pace with growth and development, our client is recruiting for an Analyst, Investments for its Real Estate Services group.

The Analyst, Investments will work on a high performing team that is responsible for managing a growing commercial portfolio and fund in excess of \$1Billion in total assets. The Analyst, Investments will spend roughly 50% of their time working on the appraisal of assets, including valuations and the relevant analytics, and providing information for Asset Managers. The other 50% of the Analyst's time will be spent on interpreting financial results and reporting for External Investors as well as some disposition work and portfolio sensitivity analysis. It should be noted that this role represents a substantial long-term growth opportunity for the right person.

About You:

The ideal candidate for this role is in the process of finishing up or is in possession of their Bachelors of Commerce, with a Real Estate Specialization or similar degree and or education. One or more year of industry experience would be an asset, as would any case competition participation experience, but it is not mandatory.

Our client is looking for people who are high performers and wish to continue and or accelerate their growth in the industry through diligence and hard work. Make no mistake about it, this is a phenomenal opportunity with an incredible organization for the right person.

Connect With Us Today:

If you are interested in learning more about this opportunity, please send your resume in confidence to chris.kumar@roberthalf.com quoting Analyst, Investments in the highlight line for immediate consideration. Please note that only local qualified candidates will be contacted at this time.
