

Job Posting - Development Manager

Townline Group of Companies is a real estate development company primarily focused in the Lower Mainland and Vancouver Island. Our portfolio is diverse, including market and non-market multi-family housing, single-family homes, heritage restoration, mixed use, commercial and retail developments. Our proven team of Development, Finance, Acquisitions, Construction, Sales, Marketing and Customer Service allow us to keep as much as possible under one roof for tighter control and efficiency. We've been in business since 1981 and believe diversity is the cornerstone to our success and longevity.

We are in search of a Registered Architect or Planner with a degree and five to ten years' experience in Metro Vancouver; and who is motivated to become a real estate developer.

The ideal candidate is a creative thinker and problem solver who will work closely with the VP of Development John O'Donnell (Architect, AIBC) to manage the life cycle of development projects from acquisitions through to construction.

The Development Manager will coordinate and direct consultant teams and liaise with municipal staff for a number of projects. This is an ideal opportunity for a professional, eager to learn the skills necessary to be a successful member of our development team. The position is fast-paced with a dynamic company, committed to creating and maintaining positive relationships with colleagues and throughout the community.

Visit our web site at www.townline.ca to learn more about us and information on projects being marketed.

To apply for this position, please submit your resume with a cover letter to: careers@townline.ca. NO telephone calls or drop-ins please.

We wish to thank all applicants in advance for their interest. However, only those selected for an interview will be contacted for follow-up.
