

Development Coordinator

Who We Are

We are motivated by the simple idea of designing and building better homes. It's what makes us tick. Our team is driven, innovative, conscientious and inspired by great design. We're also eager to learn, listen and share great ideas. We love homes and we want to make them better.

Though your interests may lie in architecture, accounting, interior design, construction or sales, your enthusiasm for being the best at what you do is what counts the most. Our colleagues are also motivated by doing work to be proud of, ensuring Mosaic is a great place to work, and at all times, doing the right thing. These are important values that unite our team. Sound like you? If yes, you're likely a great fit here.

The Opportunity

Responsible for providing exceptional support to the Development team, the Coordinator has a keen eye for quality design, supporting activities which enable the team to create beautiful homes. This role is ideal for those living in the inner and outer suburbs who want a short commute.

What We Offer

- The opportunity to grow your career within Development;
- A competitive package – pay, bonus, company paid benefits, tuition reimbursement and regular internal and external learning opportunities;
- An awesome culture – open spaces for collaboration, tons of fun social events to build relationships and of course, talented & passionate colleagues to work alongside with; and
- A team that lives our core values of doing the right thing, doing work to be proud of, being a great place to work, being the best, and being profitable.

What You Bring

- To start, you have a passion for quality and great design and a desire to grow your skills within the real estate development industry over time. You have drive, energy, and determination to make something of your career;
- Second, you have a Post- Secondary education in design, architecture, or business. You are a self-described design geek and likely spend your spare time sketching and reading architecture, design and fashion blogs;
- Third, you think about creative ways to make things better. You embrace feedback and aren't afraid to have an opinion or make a suggestion; and
- Finally, you display a positive, professional and polished communication style. You know your way around technology and have mastered all the basic office programs as well as the off project management system and SketchUp.

Above all, we're looking for someone who works hard and genuinely cares about their job, their co-workers, and the people who buy the homes we build. Interested? Please apply on our website at <http://mosaichomes.com/join-the-team/>. We'll follow up if it looks like you may be a fit.
