

DEVELOPMENT MANAGER

WHO WE ARE

At Boffo Properties, we are a second-generation family-run company focused on building great neighborhoods together. From building design right through to property management, we care about creating places, not just spaces. We respect the neighborhoods in which we build for what they are. In doing so, we connect people and find ways for neighbors to become neighborly again.

To make this possible, Boffo Properties encompasses each and every one of our developments. On the construction front, our Boffo Building team is responsible to build each of these new communities.

We believe that being great is determined less by the size of our company, and more by our commitment to quality work, treating people well and strengthening our neighborhoods. We'll be great by keeping small egos and having giant passion so we can do exceptional work alongside honest, devoted people.

Above all, we commit to innovation, good design, and authenticity. Period.
