

Development Manager

Mission Group, the Okanagan's leading real estate development and building company, seeks a full-time **Development Manager**. Join our team and help create amazing neighbourhoods, inclusive communities and environmentally responsible homes. At Mission Group, we make our decisions based on our shared values of Excellence, Service, Responsibility and Honesty. We intentionally invest in people, not just land and buildings. We like to give back to the community and we are looking for like-minded people to join our team. This job could be a great fit for you if:

You're good at:

- Leading project design and consultant teams
- Managing the municipal approvals process
- Leveraging your architectural training to maximize project value
- Paying attention to details and procedures
- Understanding the construction process

You thrive on:

1. Providing the highest level of service
2. Conducting yourself with excellence and integrity
3. Being a great team player with a sense of humour
4. Being highly results-oriented and driven

You want to:

- Earn a competitive salary + bonuses + benefits + perks
- Put your 5+ years of work experience as a Development Manager or Project Architect to good use
- Have opportunities to shine in your role
- Enjoy the benefits of living in the beautiful Okanagan

How to apply:
