**Location:** Vancouver, B.C. – Downtown Core

### About Axiom Builders:

Axiom Builders prides itself on being a very personable company with serious commitment to building things right. As a leading general contractor of mixed-use, residential, commercial, and special projects, the company is well respected across Western Canada. Our people share a commitment to service, integrity and quality and this collective vision has led to immense growth over the years. Since 2003, we have grown to become one of British Columbia's largest construction companies with over 25 notable projects with 6000 condo units currently under construction. Headquartered in Vancouver, Axiom also has a branch office in Calgary with satellite offices in Victoria, Edmonton and Seattle.

### About the Role:

Reporting to the Chief Estimator, the Estimator will be responsible for coordinating the costing process on commercial and residential construction projects. The Estimator can work on his/her own or as part of a team. With excellent people skills the Estimator will maintain cost databases, effectively communicate project estimate details to clients/owners, architects and other project stakeholders. Responsibilities include:

- Use knowledge of construction methods to determine the most cost-effective approach
- Review bid packages from sub-contractors and suppliers
- Coordinate and assemble estimating input, while reviewing designs to identify opportunities for cost savings
- Conceptual estimating from preliminary drawings through final cost analysis
- Communicate with subtrades to assist in budgeting to ensure they understand their scope of work

### What you Bring:

You are a strong estimator or quantity surveyor that wants to join a larger company and receive direct mentorship and training from the Chief Estimator. You are technical, excited about numbers and you are extremely detail oriented and look forward to working on challenging and unique projects for a general contractor that is focused on quality more than anything.

### Our Must Haves:

- At least 5 years of solid estimating experience working on unique projects from beginning to end as part of a general contractor
- Experience with estimating for high-rise concrete towers and larger projects
- Experience leading an estimate from beginning to end would be considered a huge asset

### Your Rewards:

Axiom distinguishes itself from our competitors not only by our level of quality, but also by our commitment to our staff. At Axiom, we offer a very competitive compensation structure that supplements your regular income with a robust benefits package:

- **MSP, Medical and Dental Coverage:** Our industry leading benefits package covers you and your dependents at no cost
- **RRSP Matching Program**
- **Professional Development Support**
