COVID-19: PROVINCIAL GUIDANCE FOR CONSTRUCTION SITES

The Provincial Government has [just released new guidance to construction sites during COVID-19](#). All members in the construction industry must follow these requirements to ensure the utmost protection of our workers, their families and our communities. All employers and employees must read and abide by these rules because it is only through collective efforts that we can reduce the spread of COVID-19.

Thank you,

A handwritten signature in black ink, appearing to read "Anne McMullin". The signature is fluid and cursive, with a large initial "A" and "M".

Anne McMullin, President & CEO, UDI
