

Senior Manager, Acquisitions

TransLink is seeking a Senior Manager, Acquisitions.

Reporting to the Vice President, Real Estate, Commercial Strategy & Innovation, you will provide strategic direction and leadership for the Acquisitions department. You will lead planning, management and execution of the Acquisitions program involving potential development, re-development, investment income generation, and operational need opportunities to support the long-term vision for generating non-taxation revenue as a funding source for TransLink.

As the ideal candidate, you have advanced knowledge of real estate acquisitions and divestitures in commercial, multi-residential or mixed-use assets and real estate development.

You bring your business acumen and interpersonal skills to all you do, whether leading teams, building relationships with stakeholders or negotiating. Knowledge of transportation or infrastructure projects would be an asset.

TransLink offers a competitive compensation and benefits package, including a defined benefit pension plan.

TransLink has been named one of BC's Top Employers each of the last four years. To learn more about TransLink: <https://www.translink.ca>

If you are interested in this opportunity, please submit your resume and cover letter, in confidence, at <http://careers.wmc.ca>.

We look forward to meeting you and learning more about your background.

With a service area spanning more than 1,800 square kilometres, TransLink delivers a wide range of public transit and transportation services to Metro Vancouver residents and businesses. Services include an extensive bus system throughout the region, SkyTrain rapid transit, SeaBus passenger ferries, West Coast Express commuter rail, and HandyDART for passengers who are unable to use conventional transit.

*Together these services provide a world-class customer experience, connect regions and enhance livability, and provide a sustainable transportation network for communities and people. TransLink received the American Public Transit Association's **2019 Transit System of the Year**.*
