Development Manager

About Polygon

British Columbia owned and operated since 1980, the Polygon family of companies has built more than 30,000 homes throughout the Lower Mainland, from concrete high-rises and wood-frame condominiums to townhomes and single-family communities. With four decades in business, Polygon has earned the trust of thousands of families by committing to quality design, sound construction and exceptional customer service.

Reporting to the Senior Vice President Development, Polygon is looking for a positive and assertive Development Manager to join our busy head office Development team.

Responsibilities

- Lead the project team from conception of a project through to the final sale working closely with Construction, Interior Design, Sales and Marketing teams.
- Direct the development objectives and manage project design of assigned projects.
- Liaise with the community and expedite the development and building approval processes through all aspects of regulatory authorizations for a mix of multi-family residential developments.

Requirements

- Minimum of 5 years of working experience either as a Development Manager or an Architect.
- Relevant Post-Secondary education.
- A passion for multi-residential design and home building and a thorough understanding of the multi-family development processes and industry regulations throughout the Lower Mainland.
- Strong analytical and project management skills.
- Demonstrated leadership, decision-making and problem-solving skills.

Polygon offers competitive salary and benefit packages along with a reputable corporate culture as a leader in the industry. We thank all applicants for their interest and will only be in touch with shortlisted candidates.
