Founded in 1991, Anthem is a team of 400 people driven by creativity, passion and direct communication. Anthem and Anthem United have invested in, developed or managed – alone or in partnership – more than 270 residential, commercial and retail projects across western North America. Our growing residential portfolio includes 15,000 homes that are complete, in design or under construction, from master planned mixed use residential and multifamily, to townhome and single family communities. We own, co-own, manage or have previously owned over 8 million square feet of retail, industrial, residential rental and office space across western North America. We have developed more than 60 communities across 6,100 acres of land in Alberta, British Columbia and California.
