Our superior financial strength and consistent record of strong operating returns mean security for our customers – and opportunities for our employees. You will find Travelers to be full of energy and a workplace in which you truly can make a difference.

What Is the Opportunity?

The Claim Rep is a member of the Home Warranty Claim Department at Travelers Canada and is responsible for investigating and evaluating new home warranty claims. Primary duties of this position include reviewing warranty claims to assess coverage and as required, conducting onsite investigations to determine available coverage. All warranty personnel are required to work directly with both homeowner claimants and builder / developer representatives. This position is customer facing and the Claim Rep will have superior technical and customer service skills.

What Will You Do?

- Knowledge and understanding of all new home warranty policies and application laws and regulations.
- Adjusting new home warranty claims as submitted.
- Providing clear written explanation of claims process and coverage to all customers, including all position letters.
- Working with both homeowner claimants and builders/developers in accordance with Claim Handling Guidelines which includes telephone, email and letter communications.
- Requesting and reviewing all relevant information and documents in coverage determination.
- Ensuring proper documentation of all steps and communication on claim files.
- Working with underwriting and keeping them apprised of claim development to ensure all relevant information is considered in the builder's risk assessment.
- Documenting claims files in accordance with Best Practices within Claim platform.
- Reviewing amounts on all invoices and all documentation supporting payments.
- Ensuring that all claim files and company information are kept confidential.
- Managing files in accordance with established Best Practices.
- Obtaining and analyzing applicable policies, building codes and other relevant documents which may have an impact on the adjustment of the claim.
- Establishing timely and accurate claim and expense reserves. Posts all reserves in system within Best Practice guidelines and updates system promptly as new information received.
- Posting all reserves in system within file standards guidelines and updates system promptly as new information received, liaison with Finance department.

- Referring all files above settlement authority, with recommendations for resolution, to Unit Manager and follows up through closure.
- Conducting onsite investigation as required to assess warranty claims which includes travel throughout the Lower Mainland of BC.
- Prepare accurate and thorough claim adjustment reports in accordance with company requirements.
- Occasional travel to other offices and provinces may be required.
- Perform other duties as assigned.

What Will Our Ideal Candidate Have?
